Used 1995 Toyota Camry Consumer Reviews - Edmunds

The Toyota Camry (XV10) is a mid-size car that was produced by Toyota between 1991 and 1996 in Japan and North America, and 1993 and 1997 in Australia. The XV10 series represented the third generation of the Toyota Camry in all markets outside Japan, which followed a different generational lineage.

Toyota Camry (XV10) - Wikipedia

Bought the Camry XSE 4 cylinder and I am very happy with it. The car looks and drives great. It has all the safety and features of most luxury cars. Feels like a nice balance of a car that is sporty and family friendly. The inclusion of android play, ventilated seats, and retractable side mirrors would make this car complete.
