smart trike all in one | eBay

Smart Trike All in One is a one of a kind innovation, specially designed to meet the multi-functional needs of the child from a very early age. This modular product is used for home and outdoor use and consists of 6 stages. Initially the product starts as a rocker, proceeds to a push along and a push along ride on, then advances to an independent ride on and finally transforms to a scooter.

Toys R Us Smart Trike All In One

Smart Trike 3 In 1 Zoo (cow). Condition is Used. Lots of use left in this trike but it is used and the photos show the marks and scuffs. Could do with a clean but still great fun.
