"The accrual basis accounting base accounting method was used instead of a cash basis accounting method because of the timing of our receipt of payments.

### **What is Accrual Basis Accounting? definition and meaning**

An accounting method in which income is recorded when cash is received, and expenses are recorded when cash is paid out. Cash basis accounting does not conform with the provisions of GAAP and is not considered a good management tool because it leaves a time gap between recording the cause of an action (sale or purchase) and its result (payment ...

Basis For Ayurvedic Philosophy: Concept of Tri-Dosha. In Ayurvedic philosophy, the five elements combine in pairs to form three dynamic forces or interactions called doshas. Dosha is a word derived from the root dus, which is equivalent to the English prefix 'dys', such as in dysfunction, dystrophy, etc. In this sense, dosha can be regarded as ...
